PROFILE

Passionate about web development, and committed to delivering exceptional user experiences through innovative coding practices. I strive to create scalable web solutions marked by a relentless pursuit of clean code and optimal performance. My goal is to contribute to the digital landscape by delivering innovative and efficient solutions that elevate the standards of web development.

WORK EXPERIENCE

- **IT-CAPSTON (FINAL YEAR PROJECT)**   02/2023 - 12/2023,
  Benazir Bhutto Shaheed University Lyari

  - Worked on a queue management system ("queue ease").
  - Created an admin panel using the backend (php/laravel).
  - Generated Authentication model.
  - Created product and category listing.
  - Generated order list, invoice method and created APIs of each product.
  - Generated QR codes of the product.

- **PERSONAL PROJECT**

  QUEUE MANAGEMENT SYSTEM
